

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a blatant act of partisan propoganda. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves we get corporate interests serving their private agendas, not the public good. Please prevent Sinclair's airing of thier propoganda or make them air a pro Kerry film such as Going Upriver.
